FISCAL NOTE

HB 2530 - SB 2811

February 10, 2020

SUMMARY OF BILL: Specifies that for a person to be eligible for expunction involving offenses related to their status as a victim of human trafficking, they must not have been convicted of any federal offenses or offenses in any other state.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 40-32-105(b)(3), in order to be eligible for expunction of public records involving offenses related to a person's status as a victim of human trafficking, the petitioner must meet the certain requirements, including having not been convicted of any criminal offense during the one year prior to filing the petition and is not subject to any pending criminal charges.
- Stipulating that this includes federal offenses or offenses in any other state will not significantly impact the total number of expunctions; therefore, this legislation will not result in a significant impact to state or local government.
